Union County West End Fair Living Trailer Rules

1. No open fires including but not limited to bon fires, charcoal grills or fire pits. Gas grills with a lid are permitted however they may not be used under your awning, in an Easy Up, around a tent, in the woods, or left unattended.
2. No dumping of grey or black water tanks in the woods. You may use an approved transport container to dump your tanks and take it to the dump station located near the south side of the Exhibit Building.
3. No alcoholic beverages, illegal drugs, use of profane language or pets are permitted in the camping area.
4. Campers may not move into the fairgrounds until 5:00 PM on the Thursday prior to the fair unless other arrangements are made with the Trailer Superintendent.
5. Please keep all awnings and slides in until all campers have been moved in around you.
6. A space approximately 20 feet wide will be allotted for each RV. However, due to the variations in the size of RV's and the difficulties in parking them, this may vary. Therefore, it is important that you be able to adjust the size of your awning to conform to this situation.
7. No campers will be allowed to leave the fairgrounds until Sunday morning at 6:00 AM.
8. The fair is not responsible for damages caused by wind, rain, tree branches, electrical surges, water pressure, hail, vandalism, accidents, or any other Act of God.
9. All campers must enter the fairgrounds through the south gate.
10. All garbage is the responsibility of the camper. A dumpster is provided to place your refuse in.
11. Our camping area is rented out at other times of the year. Please be considerate and leave your camping area cleaner than when you arrived.
12. The person who's name the RV is registered in is responsible for the behavior at the RV site. The general rules listed in the Fair Premium Book apply to both tent and RV campers. Violation of the rules will result in eviction of the renter.
13. RV camping spaces are limited to 35 spots and are on a first come, first served basis. All camping spaces will be assigned by the Superintendent.
